...the responsible pet people www.petsonbroadway.com.au

Pets on Broadway believe they are the 'responsible pet people' and one of the growing number of pet shops that are very aware of the need to choose the owner for the pet not the pet for the owner. Cats and Dogs are health checked, vaccinated, identity micro chipped and quarantined for a number of days. When the time comes to meet their new family some time is spent in the bonding area where the staff of POB ensure the new home is going to be adequate for the new pet and that everyone is aware of the responsibility of looking after the new family member. As well as a 7-day health guarantee Pets on Broadway offer a 3-day full refund on cats and dogs if the pet does not fit in with other family members. We do NOT obtain dogs from puppy farms. If you are looking for that unusual pet then Pets on Broadway may have just the thing for you. There are Stick Insects, Bird eating spiders, giant cockroaches, silk worms, and hermit crabs.

"If you can't decide between a Shepherd, a Setter or a Poodle, get them all... adopt a mutt."
