You'll Drool over the Slobber-Wick

The Slobber-Wick Squeak Bone is a new fast-drying, easy-cleaning toy available in two sizes to accommodate a wide range of droolers. Each has a gusset to add extra 'chomp' to your dog's soft toy gnawing experience and a double-bellow squeaker that makes this toy irresistible. Also available is the Squeekless Bone for quiet mornings or times when you want to squeek less. Both are machine washable.

RRP \$17.00

PAW-sitively Natural

PAW stands for Pure Animal Wellbeing and this range of coat grooming products was developed in conjunction with animal dermatologists to ensure irritant-free and natural products for our furry friends. Gentle cleansers enhanced with essential oils and botanical fragrances like lavender and chamomile deliver shine through balanced ingredients. RRP \$14.95

Become a Pet Vet

If only through the magic and make-believe gaming world of Nintendo DS. Here you can pretend to be a fully trained vet in a brand new practice and 30 sick and ailing pets to attend to. Get your paws on realistic medical instruments and treat them with vaccinations, putting in IVs and changing bandages. There are fun quizzes with 150 questions and 3 difficulty levels to test and improve your knowledge of animals. We're not sure whether you'll be expected to perform some of the more delicate and tricky procedures but we're sure your bedside manner and warm thermometer will gain you points. G-Rated so you're probably going to be one vet that's never going to have to de-sex a client. RRP \$49.95
